# MBA

BAC+5

# WHY CHOOSE THE MBA PROGRAM ?

Studying for an MBA means choosing to develop your abilities, skills, and personal knowledge to prepare for a career in business management. You will study organizational operations, the global environment, strategy, business trends, and current management challenges, while learning to apply strategic thinking to real-world scenarios.

An MBA provides graduates with a 360-degree view of their chosen industry or sector. This level of knowledge is highly valuable for companies looking to recruit their (future) leaders and managers with a deep understanding of the business world.
